### Document Body

Hello Linda:

I hope you enjoyed a great Holiday Season.

We are in the process of reviewing the information that you sent in your letter dated December 29, 2010. That letter mentions that a preliminary grading plan will be submitted under separate cover. However, we have not received the grading plan. I need the grading plan to continue the review of the package that you sent. My review will be on hold until I get the grading plan. Please let me know when I should expect the that plan.

Thank you for your courtesies and please call me if you have any questions concerning this message.

Regards,  
Carmen
